Episode One: Evangelism

This episode is best suited to encourage women of faith to think literally and laterally about how we can all share our faith, and our lives, in a real and impacting way with family, friends and strangers.

Discussion Guide:

1. How can we share our faith in a real and honest way?
2. How can hospitality contribute to evangelism?
3. To what extent could Wendy's ideas for putting on an event be usefully transferred to Christian outreach events?
4. How can being a good listener help us to know what to say as we seek to share the Good News about Jesus?
5. What is effective evangelism? Are we all evangelists?
6. What could we do to make events like *Back to Church Sunday* an encouraging event for our friends?

In light of what you have just watched and discussed, spend some time reflecting on the following verses and share their relevance:

1 Peter 3:15 - But in your hearts set apart Christ as Lord. Always be prepared to give an answer to everyone who asks you to give a reason for the hope that you have. But do this with gentleness and respect.

Matthew 9:37-38 - Then he said to his disciples, "The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field."
