Episode Two: Public Faith

This episode is best suited to encourage women of faith to think about how they, and their faith, is perceived by both Christian and non-Christian women, and to help discover the best way to present their faith in public.

Discussion Guide:

1. Is sharing our faith always evangelism?
2. How can we encourage Christians to share their faith in public?
3. What can we all do as individuals to share our faith in a relevant and meaningful way with both Christian and non-Christian family and friends?
4. *Jesus All About Life* encouraged us to create conversations where sharing our faith could be natural? How can we do this in our everyday lives?
5. How important is it for us to share our faith in public in a relevant and meaningful way?

In light of what you have just watched and discussed, spend some time reflecting on the following verses and share their relevance:

1 Corinthians 11:1 - Follow my example, as I follow the example of Christ

Philippians 4:4-5 - Rejoice in the Lord always. I will say it again: Rejoice! Let your gentleness be evident to all. The Lord is near.

Philippians 3:16 - Only let us live up to what we have already attained.
