Episode Three: Helping Others

This episode is best suited to encourage women of faith to apply their faith to areas of need in a real and practical way.

Discussion Guide:

1. We have just heard some wonderful stories. What impacted you the most?
2. When was the last time you helped someone in need?
3. What is the cost of helping others in need? What are the rewards?
4. How can you, your home group and your church impact your community and those who live amongst you?
5. What is the most effective way to help those in need?
6. How does showing unconditional love come back to you?

In light of what you have just watched and discussed, spend some time reflecting on the following verses and share their relevance:

Hebrews 13:2-3 - Do not forget to entertain strangers, for by so doing some people have entertained angels without knowing it.

James 2:14-17 - What good is it my brothers, if a man claims to have faith but has no deeds? Can such faith save him? Suppose a brother or sister is without clothes and daily food. If one of you says to him, "Go, I wish you well; keep warm and well fed," but does nothing about his physical needs, what good is it? In the same way, faith by itself, if it is not accompanied by action, is dead.
